

2018 EMPTY BOWLS BRENHAM

Fighting hunger one bowl at a time

About Empty Bowls Project: Empty Bowl Events are held around the country and internationally to help fight hunger. The events get local potters to donate handmade, clay bowls and get local restaurants to donate soup and bread. On the day of the event, people come and make a donation at the door, select a bowl and enjoy a simple meal. They take their bowl home to remind them of all the empty bowls in the world and how they made a difference. Some events have live music as entertainment and a silent auction as well.

As an example, Austin, TX has been hosting empty bowl events for more than 20 years and their most recent Empty Bowls Event brought in over \$100,000 to fight hunger.

Empty Bowls Brenham Event: This is a fundraiser event for Brazos Valley Food Bank, which supports numerous food pantries in Washington County. All proceeds from the event will be going to Brazos Valley Food Bank. We plan to have live music and a silent auction. So this will be a family fun event.

Restaurants donating soup can have their names/logos on our website. They can also put a sign or banner up on the day of the event, near their soup. They can also have their employees serving soup in their restaurant's shirt or uniform if they have one.
